ACR wins Health Exchange Risk Management Contract

Will provide senior staff level Risk Management Services and Consultation

For Immediate Release

West Hartford, Connecticut, January 15, 2013 ----- Advent Cat Risk LLC announced that they have signed an agreement with a newly formed Health Insurance Exchange recently born out of the Affordable Care Act. Health Insurance Exchanges will create a new marketplace that offers health insurance and coverage options to individuals, families and small employers. Under the national health reform, states must have an Exchange in place by Jan. 1, 2014. Exchanges can be developed and implemented by the state or by the federal Department of Health and Human Services.

ACR will assist this client in the evaluation of its business risks and Insurance needs and work with the marketplace to ensure those needs are met. As an incipient form of business this new genre of operations will benefit from ACR's steeped experience and broad based alliances in assisting e-commerce businesses with their evolving risk management needs.
